Seek Members For Teen Center

An ambitious group of young people started work late this week, in a two-pronged effort to open their new Teen-Center for the weekend of Feb. 24-25.

Plans were completed at a meeting last night in Free Church for a financial drive, and for the re-decorating of the Grange building in West Parish.

An open house probably will be held Feb. 24-25, if present planning is carried out.

Under the over-all leadership of President William Dalton, the new Youth Council has agreed to hold a drive for financial support, enlisting the support of all teenagers in the community, their parents, and any other interested adults.

Membership cards will be sold

"Forward Through The Ages" is the theme of the World Day of Prayer for 1961. The observance of this day, sponsored by the United Church Women, will be held at Cochran Chapel, Phillips Academy, Friday evening, Feb. 17, at 8 p.m.

The Rev. A. Graham Baldwin of Cochran Chapel and members of the World Day of Prayer Committee cordially invite the men and women of the community to attend this service.

This year marks the 75th anniversary of the World Day of Prayer. This Diamond Jubilee, marking 75 years of unbroken observance, will be celebrated in 145 countries throughout the world.

Two special anniversary goals have been set to supplement the regular on-going projects of providing schools, colleges, hospitals, doctors, nurses, teachers, vaca-

Sale Of Tyer Rubber Up To Stockholders

Tyer Rubber Co., for many years a locally-owned business, will pass from local control, subject to approval of the stockholders.

Directors of the company have approved a plan that will have Tyer become a wholly-owned subsidiary of Converse Rubber Co. of Malden. The stockholders will meet Feb. 20.

Wallace E. Brimer issued the statement of intention, and said that proxy material has been mailed.

Selectmen Concerned For Children's Safety

Object To State Control Of Pits

The Selectmen have registered their opposition to House Bill 1584, which would allow the removal of gravel for projects paid for with public funds, without approval of local authorities.

This bill, according to scrutiny by Town Counsel Fredric S. O'Brien, specifies that the land owner and the state DPW must give permission for the removal. All town regulations are specifically ignored in the bill.

The legislation states that gravel needed for any public project, paid for in whole or in part by public funds, may be excavated without local permission.

Members of the Board believed that communities would become giant gravel pits under the pro-

Worried over the possibility that a child will be struck down, the Selectmen have urged that Andover build itself a reputation as a "tough town" on speeders.

Noting that speeding took at least a partial holiday last fall, when police cracked down, Chairman Eugene A. Bernardin Jr. urged constant repetition of the enforcement drive.

He told his colleagues that Central st. - a focal point of the speeding drive last year - again appears to be a speedway. He noted that cars constantly pass him on this street.

The question came up when Selectman James D. Wilson asked whether an officer might be assigned to Elm and Whittier sts. in the morning while children are crossing Elm st. on the way to school. The corner is particularly dangerous, he explained, because of the speed of cars on Elm st.

Motorists, Be Careful

The greatest caution should be exercised on local streets, due to the lack of sidewalks for small children to use while on their way to and from school.

The Townsman joins with town officials and the police department in urging every motorist to drive with great care during this period of extremely hazardous conditions - one that will be alleviated only when the depth of the snow decreases to a point where plows can be used effectively on the sidewalks.

It is almost impossible to tell in advance when a youngster will run out of a blind driveway, or come sliding down a drift of snow, or unintentionally slip on the snow along the side of the road.

You, Mr. Motorist, have a great obligation. You must be more than usually careful, and alert. Drive slowly.

Your first obligation is the safety of these children.

The total collected in the March of Dimes to date is \$4,622.80, according to general chairman J. Woodrow Crowley.

This year's chairman of the March was Bruce Dodd of Summer st., assisted by Mrs. Emery Westcott, Mrs. Hans Scharin and Mrs. Alfred Fuller. Mrs. Roger Collins won the transistor radio in a contest among the mothers taking part in the annual drive.

Crowley said this year's total collection will exceed that of a year ago, when final returns are made.

Lenten Institute At Free Church

Tuesday evening, Feb. 14, the Rev. Forrest Knapp of Winchester, General Secretary for the Massachusetts Council of Churches, will open the Free Church Lenten Institute program with a discussion of the topic, "Christian Denominational Backgrounds".

This is the first in a series of six talks on the general theme "Toward Christian Unity". The Board of Deacons and Deaconesses of the Free Church Church chose the theme because of the interest generated by the imminent merger of the Evangelical and Reformed, and the Congregational denominations. It deals with the implications for Protestants in the incipient unity movement within the denomination.

The series this year runs through six Tuesdays in the Lenten period, beginning Feb. 14 and ending March 21. Meetings begin each evening at 7:30 p.m. Topics for particular evenings follow:

Feb. 14, "Christian Denominational Backgrounds"; Feb. 21, "Origin and Growth of Christian Denominations"; Feb. 28, "History of the Unity Movement"; March 7, "Objections to Unity"; March 14, "Why Unity?"; March 21, "When Unity?"

At the Feb. 21 meeting, pastors from the Methodist, Episcopal, Presbyterian, and Congregational denominations will give brief histories of their denominations.

Each evening, following his talk, the Rev. Knapp will conduct a question and answer period, following which the meeting recesses for light refreshments. After refreshments, he will be available for intimate discussions with those people who wish to explore the evening's topic further.

The Rev. Mr. Knapp brings to this series a broad background of experience in the unity movement. He presently serves on a National Council Committee which concerns itself with plans of unity.

The Free Church Board of Deacons and Deaconesses invite the public to participate in this series of discussions. Tickets for the six evenings are available at the door or at the Free Church office, or through Deacons and Deaconesses of the Church.

Miss Peggy Danielson has returned to her studies at Skidmore College after enjoying a mid-winter vacation at her parents' home on Cutler rd.

Dear friends,

We know a man who caught a very severe cold recently while attending grave-side services. He stood for a time with hat removed. It was a chilly day.

When weather permits, this custom of removing the hat is a very commendable one---a mark of respect. But it should not be done at the expense of one's health. May we be allowed to suggest that the custom be discontinued on cold days.

Respectfully,

Donald E. Lundgren

PACK 71 DINNER - One of the main speakers at a recent Pack 71 dinner at the Shawsheen School was principal Miss Ann Harnedy, who spoke about the similarities between scouting and school. Pictured with Miss Harnedy are Cub Scouts Richard Heffner, Edward Clukey, Joseph Wesolowski, Thomas Nigrelli, Gordon Duffy and Paul Russell.

146 Attended Scout Dinner

Cub Scout Pack 71 held its Blue and Gold Dinner at the Shawsheen School Feb. 1, in honor of the 51st anniversary of Cub Scouting in this country.

A candlelight ceremony was held in which the following boys participated: Richard Heffner, Edward Clukey, Joseph Wesolowski, Thomas Nigrelli, Gordon Duffy and Paul Russell. The purpose of the candlelight ceremony was to accept the charter from David Cardinal, area commissioner, and the boys' participation amounted to the reciting of the Boy Scout oath.

Miss Ann Harnedy, principal of the Shawsheen School, spoke on the relationship between Cub Scouting and the classroom and the many points they have in common. This was particularly true, reported Miss Harnedy, that what a boy puts into any activity he will get back in the same proportion. One hundred and forty six were in attendance, including Cub Scouts and their parents.

Andover might be hard-hit under the law, it was agreed, because so much gravel will be needed for Route 495 construction in the community; with contractors desiring to find the material as close to the job as possible.

CONCERNED FOR CHILDREN'S SAFETY

(Continued from Page One)

Selectman William Stewart in turn told about speeding cars on Lowell st. and on Shawsheen rd.

Members of the Board agreed that present conditions make the danger more imminent - because high snow banks and unplowed sidewalks make it necessary for children to walk in the streets.

It was noted during the meeting that a radar set, authorized by the last town meeting, has not been purchased. Town Manager Thomas E. Duff said it has been determined that the courts won't admit evidence based on these machines, and thus it was decided to wait until the Legislature passes a bill authorizing them.

Selectman Philip K. Allen noted that the town's reputation as a tough one depends on constant enforcement of the speed laws - and that putting on a drive against speeders then slackening off does little good.

Bruce Hinckley of Birch rd. attended the Sub-District winter meeting of the Methodist Youth Fellowship, which was held at Rolling Ridge in No. Andover during the past weekend. He is president of the Youth Fellowship of the Central Methodist Church of Lawrence.

EDITORIAL THOUGHTS

Public Support Needed

Andover, and many other towns in the Commonwealth, are in extreme danger from a bill filed for consideration in the Legislature — and public demand for its defeat should be forthcoming.

House Bill 1584 would allow the State Department of Public Works to approve gravel pits, whenever the material is to be used on construction paid for, in whole or in part, by public funds. No local by-law would remain valid under the bill, for it specifically states that only the consent of the property owner and the state DPW will be required.

This bill, if approved and signed by the governor, would allow the state to approve gravel pits in any locality — and Andover is certainly one of the areas that would be hard-hit. For the extent of the highway construction here in the next few years indicates that great quantities of material will be needed.

Big contractors would have no difficulty in persuading land-owners to allow the excavation; and certainly the state DPW would approve the requests.

This is a bill with such sweeping authority for the state, and containing so much built-in danger for the town, that every resident should object strenuously to legislators in this district, and to members of the Judiciary Committee of the House.

In case you need a reminder, the local Representatives are Frank S. Giles, Arthur Williams and William Longworth. All can be reached by mail at the State House, Boston.

Do You Want Billboards?

The Selectmen are planning to object to the proposal for a billboard on Route 93 — an item that comes under the jurisdiction of a state division.

The request came down through the chain of command, and the Selectmen have been given the opportunity to protest granting of the 20X10 sign.

This they will do, on the grounds that Andover has been free of this sort of advertising, and that town by-laws prohibit the placement of signs of this size.

Hopefully, the state will listen to the town and refuse the sign. For, once one commercial billboard is erected along Route 93, we shudder to think of the hundreds that might be placed there in the next year or two. Then, we suppose, commercial interests will want to plaster Route 495 with signs too — thus creating a worse condition.

This is the time to stop the nonsense — let's not wait until a precedent has been set, then complain.

Insufficient Planning

In an editorial last week, the Townsman recorded its opposition to an article in the warrant, asking for money to reconstruct the parking area at the High School, and to construct what is known as a utility area. The article also specified that certain drainage work would be done in the general High School area, as a step in continuing the development of that property for recreation and school-sponsored athletics and teaching.

The School Committee has now decided to reduce its request to \$25,000 — dropping off \$20,000 from the original.

The plan now calls for reconstructing the parking area and building the utility section, on which classes can be held and where instructors can teach various sports — one of which happens to be tennis.

During summer months, the utility area will be available for public use, probably under the direction of the Recreation Committee. This conceivably will satisfy the demands of those who, last year, asked the town for money to construct tennis courts for public use.

It looks to us as though the School Committee has rushed headlong into a proposal which, though good in theory, may prove expensive in the future unless further study is given to it now. After about nine months, a special sub-committee appointed by the School Board had met only a couple of times, and had no specific plans other than those verbally discussed. Cost estimates were hurriedly obtained when the warrant deadline drew near.

There appears to have been insufficient time spent in studying the High School property for recreational and athletic activities.

And apparently even while at a headlong gallop, the Committee realized this and also inserted an article asking for \$2,500 for an over-all engineering and recreational survey of the site.

SUSIE'S SONNETS

by Sylvia Neilson

WHAT DOES YOUR DOCTOR SAY?

Indigestion, aching back,
Offensive breath and nails that crack,
Perspiration, racking cough?
Well, MINE says, "Turn the damn thing off!"

We have no quarrel with the tennis enthusiasts, nor with the School Committee's enthusiasm for providing playing fields, a track, the utility area, and all the rest.

But at last year's town meeting, it was suggested that the tennis proposition be put over, while a more comprehensive study was undertaken and cost factors were more thoroughly explored. The sub-committee which was appointed by the School Committee, apparently to undertake this study, reported that it had not met with frequency; had nothing on paper; and failed to provide cost estimates until faced with an unavoidable deadline.

This, we believe, is not the thorough study that the voters were promised at the last town meeting. That's why we believe that the article calling for \$25,000 should be defeated, and the article asking for funds for a proper study should be approved at town meeting.

Down the Years with The Townsman

50 Years Ago — February, 1911
Charles Main of High st. has entered the employ of W. H. Higgins.

Prof. W. K. Moorehead is in Washington attending a meeting of the Board of Indian Commissioners.

The Rev. Fr. Riordan is taking a brief rest from his labors as pastor of St. Augustine's Church. John H. Flint has purchased the Woodbridge and Bursley property on Highland rd.

The first osteopathic physician to locate here has opened an office in the Musgrove block. Dr. Cowan of Boston will be in his office two days a week.

One local house painter was arrested this week for breaking into the shop of another painter and taking valuable items.

The November Club presented two plays Tuesday night. Mr. and Mrs. H. Winthrop Peirce took a prominent part, not only in the plays but also in the preparation of them.

John H. Bell has retired from the Smith and Dove Manufacturing Co.

25 Years Ago — February, 1936
A total of over \$100,000 has been requested in special articles. Included in the total is at least \$72,866 worth of water extensions.

Severe delay on the junior high project is imminent, because of the failure of the PWA administrators to straighten out the furniture bids. The building may not be ready for graduation.

The town will be asked to provide a new ambulance, in the wake of a breakdown last Saturday. The North Andover ambulance was called to take a patient the rest of the way to the hospital. Officials estimate it will cost \$300 each year to maintain the present 10-year-old vehicle.

The political scene took on life this week. Roy E. Hardy has decided to run against Dr. J. J. Daly for Selectman. Three unidentified persons took out sets of nomination papers, but no one knows the office they will seek, while one townsman also took out her papers for Selectman. Winthrop R. Newman took out his papers for School Committee.

The School Committee has shaved \$2,000 from its original budget, at the request of the Finance Committee. The total now stands at \$162,000.

A Townsman editorial this week reminds its readers that taxpayers are sometimes forced to pay

twice for tax increases — once when they pay their own, and another time when tradesmen and those in professions boost their prices and fees because of the increase in taxes.

10 Years Ago — February, 1951
An increase of from \$4-6 in the tax rate has been forecast by Roy A. Hardy, chairman of the Board of Assessors, after a review of all the department budgets and special articles. The present rate is \$36. There are only 40 articles in the warrant for consideration at town meeting.

A general \$4-6 increase for town employees, and substantial raises for some department heads, are included in the recommendations of the special salary study committee. The group reviewed present wages, and made comparisons with other communities in the area.

Competition is assured in the election March 5. Four candidates seek two BPW seats; three want the one School Committee post; two are after the single Housing Authority job; and four are running for constable.

The building splurge continues, despite restrictions and rising costs. Building, both new and in the additions and alterations categories, was estimated at \$150,000 for January. This compares with \$25,500 a year ago.

The voters will have a chance to adopt a permanent by-law allowing secret ballots at town meeting. One of the articles in the warrant spells out procedures to use in asking for secret voting on any issue before the town meeting.

UNITED CHURCH GUILD TO MEET

The Ballard Vale United Church Guild will meet Thursday evening, Feb. 16, in the Vestry. Hostesses will be Mrs. Alfred Webb, Mrs. William Batchelder and Mrs. John Wilson.

At The Library

Coming Events: FEBRUARY

- 8 Littlest Listeners, Robins, 10 a.m.
- 14 Great Books Discussion Group, 7:45 p.m.
- 15 Littlest Listeners, Cardinals, 10 a.m.
- 16 Ballardvale Littlest Listeners, 10 a.m.

Littlest Listeners

There are two groups of pre-school children which meet every other Wednesday morning in the Memorial Hall Library at 10 o'clock for a three-quarters of an hour story and music period. The Robins will meet Feb. 8, and the Cardinals will have their program the following Wednesday, Feb. 15. Mothers of children three, four or five may enter either group at any time.

Residents of Ballardvale may wish to enter their children in the group which meets there every other Thursday at 10 o'clock, under the direction of Mrs. Shirley Ackerman. The children have a story and game hour similar to that held in the main library. For full information, a mother should call the main library.

Great Books

The reading for the next meeting of the Great Books Discussion Group will be the remainder of Sterne's "Tristram Shandy."

This group meets every other Tuesday evening at 7:45 o'clock except during the summer months. They welcome new members at any time.

Cheerful Books

Have the winter months finally dampened your spirits so that a dash of fun is needed? If so, why not pick up one or two of the "cheerful" books listed below? The Memorial Hall Library feels that each title suggested has its own bit of gaiety, whether it be a novel, a story of family life, satire, fantasy or good-natured auto-biography. All have the proverbial "happy ending." The list is long, but here are a few: Good Morning, Young Lady, Kennelly; The Flowering Thorn, Sharp; We Three, Pope; Little Mule, Burgess; Mama's Bank Account, Forbes; Life Among The Savages, Jackson; Pride's Way, Molloy; The Tea-house Of That August Moon, Sneider; Charlotte's Web, White; Wind In The Willows, Grahame; Period Piece, Ravat; One Foot In Heaven, Spence; Persian Adventure, Mehdevi; Our Hearts Were Young and Gay, Skinner; Cheaper By The Dozen, Gilbreth; The Egg And I, MacDonald; The Lemon Jelly Cake, Smith; Snips And Snails, Baker; Life With Father, Day; Family Album, Pakington; Cress Delehanty, West.

All these may be borrowed for the usual three week period.

Film On Middle East

From Feb. 13 through 18, one of the films available at the Memorial Hall Library will be "The Middle East", a 26-minute study of the peoples of that part of the east situated on the rim of the Communist world. In the cold war, these people are important, as is their right to own the land they work and the right to live free of foreign domination. The film provides valuable insight into the problems of Egypt and Iran. All films may be borrowed for group use; they should be reserved as early as possible.

An interesting contrast to this film would be another, "People Of The City", which will be on hand at the same time. This runs about eighteen minutes, using an exciting musical score blended with natural sounds, but without narration as it provides an intimate picture of life in Stockholm, Sweden.

After the discussion, the girls
played games and the meeting was
closed.

Seeking Texts For Anthem

The 250th Anniversary Committee of South Church, on the recommendation of its music subcommittee, voted to commission Daniel Pinkham, director of music at King's Chapel in Boston, to compose an anthem to commemorate the anniversary celebration in October.

Mr. Pinkham, well-known in New England musical circles as a composer and harpsichordist, is an officer of the American Guild of

Organists. He lived in Andover as a student at Phillips Academy and has a personal interest in South Church, which he proposes to revisit before undertaking his commission. He has requested the committee to submit several suitable texts for the anthem, from which he will select one.

The committee invites all interested persons to make suggestions for such texts. Suggestions should be given to Keith Gould, chairman of the music subcommittee, by Sunday.

Candidates Meet Again Tonight

The candidates for the office of Selectman and for the School Committee will meet again tonight at 8 p.m. at the Shawsheen School.

This is the second in a series of four candidates' meetings sponsored by the League of Women Voters. At last week's meeting at the South School, William A. Doherty, running for School Committee, talked on the ever increasing need for new buildings; Dr. Milton J. Meyers spoke of plans for the strengthening of the school administration with the addition of a director of curriculum and a business manager, both to work directly under Supt. of Schools Edward I. Erickson; James O'Reilly pledged himself for more education for the tax dollar.

Philip K. Allen, candidate for re-election to the Board of Selectmen, pledged himself firmly behind the town manager form of government and behind the present town manager, James D. Wilson also stood for the present form of government and commented that when things were going smoothly, as they are in Andover, there should not be a change. Sidney P. White announced that he felt there was much work needed in fields ignored by the present board, for instance, work towards purification of the Merrimack River.

Tonight, candidates for School Committee will be asked: "In view of the magnitude and ever-growing nature of the school budget, what action do you contemplate to provide good education for our children and adequate compensation for our teachers at minimum cost to the taxpayers?"

Candidates for Selectman will be asked: "Do you think town government is more efficient and economical now that we have the town manager form of government and do you think it is now time to change town meeting to representative town meeting?"

Townpeople are urged to take this opportunity of hearing and questioning these men who wish to represent them. Mrs. Richard Wilson and Mrs. Jerome Andrews Jr., president of the League, will preside.

Crockett To Speak At Club Meeting

Fund Closed With \$452

The fund for the Joseph Legros family, started at the suggestion of their neighbors shortly after they were burned out of their home on Boston rd. the day after Christmas, has been completed.

The sum of \$452.75 has been donated, according to William Hickey of the Bay State Merchants National Bank.

Mr. Hickey, who received the money for the family, said he has already paid most of the gifts out to the Legros, except for a few gifts that have recently been received. These will be given to the family immediately.

Don't Like Signs Along Route 93

The Selectmen will vigorously oppose a request by a Methuen businessman for permission to place a sign along Route 93.

But whether the opposition does much good is still debatable.

The Board was informed Monday that the Red Tavern in Methuen wishes to erect a 20x10 billboard on private land in Lowell Junction, facing Route 93. The request went to the State Billboard Division, in conformance with the statutes.

That agency asked the Selectmen to record their opposition, if any, and also noted that the petitioner may have a hearing at a later date.

All members of the Board were opposed — noting that Andover has been free of billboards because of a local by-law governing the size and location of signs. They felt that the first billboard, if granted, would be a precedent for hundreds along the state thru-ways — and that there will be little chance to oppose future signs if this one is allowed.

OPEN MEETING ON WARRANT ARTICLES

The Taxpayers Association will hold an open meeting Feb. 16, at the High School, at 8 p.m., for those interested in a preview of town meeting.

Town Manager Thomas E. Duff will discuss articles in the warrant, according to Dino G. Valz, Association president.
